

Business Central Specialist

Are you passionate about optimizing ERP solutions and driving digital transformation? Do you thrive in a dynamic and collaborative environment? If so, this opportunity is for you!

At Rains, we are at the forefront of IT innovation, continuously evolving our technological landscape. We have recently implemented a state-of-the-art IT infrastructure with Microsoft Business Central 365 as the ERP-system, and are committed to leveraging the latest technologies to enhance our business operations.

Your Role

As a Business Central Specialist, you will play a key role in maintaining, optimizing, and developing our BC 365 platform. Your work will contribute to ensuring efficient daily operations but also to further improvement of the platform.

Key responsibilities include:

- Supporting and optimizing BC 365 across finance, supply chain, and sales.
- Developing and solving technical tasks related to BC 365.
- Managing licenses and user access within BC.
- Collaborating with business stakeholders and integration developers to enhance platform performance.
- Driving continuous improvements, testing, and system optimizations.
- Leading and participating in ERP-related projects.
- Providing technical insights to improve business processes.

Your Profile

We are looking for a highly analytical, structured and proactive Business Central Specialist who is passionate about problem-solving and business process optimization. You have a strong knowledge of Microsoft Business Central within finance, sales, supply chain and Continia products. Furthermore, we expect that you have:

- Experienced super user of Business Central 365.
- A solid understanding of business processes across finance, sales, and supply chain - retail experience is a plus.
- A familiarity with Microsoft standard technologies, API management, and Azure.
- Experience working in agile teams and Scrum frameworks.
- Knowledge of Pebblestone fashion module is an advantage.
- Knowledge within AL programming and database management.

What We Offer

We offer you the opportunity to join a fast-growing, agile, international company, where you will meet a social, dynamic, and committed team. You can look forward to playing a significant role within the talented Tech department, consisting of 8 colleagues, who value expertise, collaboration, and continuous improvement.

The Rains culture is living every day when we perform our jobs and are social with each other outside of our work. Our employees matter to us and therefore we offer numerous employee benefits, including a lovely canteen, staff discounts, fitness facilities, pension and health insurance. The workplace will be at our headquarters in Lisbjerg, Aarhus N, Denmark.

Want to Join?

If we have captured your interest, we look forward to hearing from you. Please submit your application and CV below.

We will frequently review and contact applicants, and we reserve the right to take down the position before the deadline.

Only applications submitted through our e-recruitment process will be considered. By applying, you agree to have your personal data processed in accordance with our Privacy Policy.

We look forward to hearing from you!
